

The Bernard L. Schwartz Communication Institute and the
Baruch Computing and Technology Center present:

Digital Storytelling for Beginners: 50+ Web 2.0 Ways To Tell a Story

with Alan Levine

This hands-on workshop will teach participants the basics of creating, publishing, and sharing a story in any free web 2.0 tool, using images, audio, and/or video.

Thursday, May 5

12:30-2:15pm

6th Floor Computer Lab
William & Anita Newman Library
